Community News

- **Mailing List** – This is brand new this quarter and helps keep members informed of upcoming events and community news.
- **Website** – The site has been upgraded. SPIDER gets a favourites icon, finally! Easier navigation with no frames.
- **Community Rules** – Recently posted on the bottom of the website for easy reference.
- **Ventrilo** – To encourage non-members to join SPIDER, guests will be kicked from Ventrilo every 90 minutes as a simple, nagging reminder to make the conversion.
- **3-Ways** – SPIDER is not your jealous spouse. You can play with others, in different communities. We're okay with that. Really.
- **Annual Competition** – Best in-game screenshot of the year.
